June 30, 2004

**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT
PURSUANT TO 37 C.F.R. § 1.97(b)(3)**

COMMISSIONER FOR PATENTS
P.O. BOX 1450
ALEXANDRIA, VA 22313-1450

Listed on the accompanying form PTO-1449 and enclosed herewith are several English-language documents. Applicants respectfully request that these documents be considered and listed as references cited on the issued patent.

Applicants are filing this Information Disclosure Statement ("IDS") before the mailing date of a first Office action on the merits. As a result, no fee should be required to file this Information Disclosure Statement. However, if the Patent Office determines that a fee is required for Applicants to file this Information Disclosure Statement, please charge any such fees to Deposit Account No. 02-4550. A **duplicate** copy of this Information Disclosure Statement is enclosed.

The filing of this Information Disclosure Statement shall not be construed to be an admission that the information cited herein is, or is considered to be, prior art or otherwise

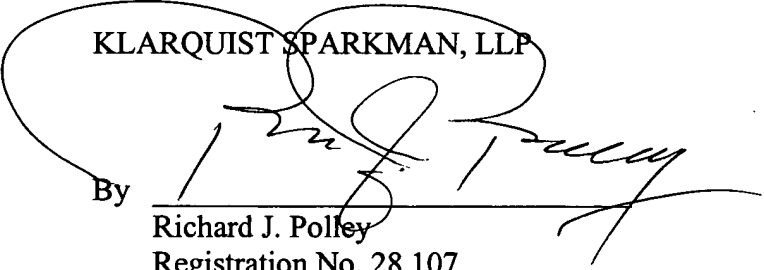

material to patentability as defined in 37 C.F.R. §1.56. In particular, because the effective filing date of the present application is before the dates of at least the two litigation documents listed under the heading "OTHER DOCUMENTS," those documents are not printed publication prior art.

The litigation documents relate to *JumpSport, Inc. v. JumpKing, Inc.*, ND Cal, C 01-4986 PJH. These litigation documents may be material because they include arguments regarding the applicability of certain alleged prior art to certain claims of the patents (6,053,845 and 6,261,207) that resulted from the grandparent and parent patent applications. The lawsuit has not been resolved as of this date, so the significance of these documents remains subject to clarification by further court action. And as mentioned above, the filing of this Information Disclosure Statement shall not be construed to be an admission that the information cited is, or is considered to be, prior art or otherwise material to patentability as defined in 37 C.F.R. §1.56.

Respectfully submitted,

KLARQUIST SPARKMAN, LLP
